Friday 14th April, 2017

90 minutes

Student Name:

--

Instructions to candidates

- Write your name on this cover sheet.
- Do not open this examination paper until instructed to do so.
- You are permitted to access your calculator for this paper
- Answer all questions using the space provide in the booklet.
- Unless otherwise stated in the questions, all numerical answers should be given exactly or correct to three significant figures.
- A clean copy of the **Mathematics Standard Level** *information booklet* is required for this paper
- The maximum marks for this examination paper is **[3 marks]**

Question:	1	Total
Points:	3	3
Score:		

Full marks are not necessarily awarded for a correct answer with no working. Answers must be supported by working and/or explanations. Where an answer is incorrect, some marks may be given for a correct method, provided this is shown by written working. You are therefore advised to show all working.

1. Example Question

[3 marks]

This image shows a full page of white paper with horizontal dotted lines. The lines are evenly spaced and run across the entire width of the page, providing a guide for handwriting practice. There are no margins, text, or other markings on the paper.
